

All Star Picture Instructions

Sunday, June 4, 2017

1. Show up at least 15 minutes before your scheduled time.
2. Have the manager, coach or team mom get your team envelope from the coordinator. Fill out the rest of the envelope and give the order forms to your players. This is so they can purchase pictures on picture day. If they want to have pictures, they MUST purchase from the photographer. This is the only opportunity to purchase.
3. Have only one (1) manager, coach or team mom (or dad) from your team check-in with the coordinator when all of the team is present.
4. It is ok to have extra people (extra coaches, president, alternates) in the picture.
5. Line up in the following order:
 - a. Manager first.
 - b. Players next with the shortest in front, second shortest next, etc. until the tallest at the end of the players.
 - c. The two coaches last behind the players.
6. Each player will be photographed and have an opportunity to purchase individual sets of team pictures on picture day. They should bring money to purchase pictures. There will not be any packets for the players if they do not purchase them on picture day. The company takes cash, checks or charge. Payable to All American Color (AAC).
7. There is not time available for make-up pictures. The pictures taken on Sunday will be at the printer Wednesday for publication in the district All Star books. The books will be available for sale at the All Star Games.
8. Please bring a team roster of everyone that will be in the picture with all names typed or printed and correct spellings of names. We will be keeping the roster. Have someone (an adult who is not in the picture) that knows the kids come to help with the names for the book. We cannot be responsible for names that are misspelled.
9. Please note that your All Star team pictures are scheduled to avoid conflicts with any games taking place.
10. Call me at (310) 897-0700 if you have any questions or problems.
