FIELD AND SITE PREP AND CLEAN-UP RESPONSIBILITIES

Field Prep:

Before a game begins the home team is responsible for preparing the field: Putting in the bases, chalking/painting of foul lines and batter's box. Foul lines and/or batter's box may not need to be redone if lines are clearly visible from the previous game from that day.

Field Clean-up:

At the end of the game, the home team is responsible for cleaning up the field: dragging the infield, raking baselines, repairing the mound and home plate area. Return all equipment to proper place. Make sure to put plugs where the bases go if provided. If there is a game following that day, just repair the mound and home plate area.

Dugout / Bleacher Cleanup:

Players, Managers and Coaches are responsible for cleaning their dugout (sweep if broom is provided) and picking up all trash around the bleachers. Trash cans are to be emptied when requested by host league. **PLAYERS ARE NOT TO BE RELEASED UNTIL THIS IS ACCOMPLISHED.**

Take a Picture:

If your team occupies a dugout and stands and they are dirty take a picture and send it immediately to (310) 897-0701. If the **field prep** and/or **field clean-up** isn't properly done take a picture and send it immediately to (310) 897-0701. Host leagues may do the same. The time stamp when I receive the picture will tell me who should be responsible. If this is not done I may receive a picture later and your group might get the blame.

LEAGUE PARTICIPATION

Participation in District 27's 50/70 & Junior Baseball program is voluntary. Leagues that do choose to participate must agree to abide by these inter-league playing rules. District 27 has the authority to discipline managers, coaches, players and leagues, any fan that is ejected from a game will not be allowed to attend that team's next game. If the offense that caused the ejection is deemed to be outside the policies of Little Leagues Baseball, District 27 may impose a harsher penalty.

District 27 reserves the right to make any changes necessary to administrate the program.
